NOTICE

TO THE DEFENDANT(S):

Tennessee law provides a four thousand dollar (\$4,000.00) personal property exemption from execution or seizure to  
satisfy a judgment. If a judgment should be entered against you in this action and you wish to claim property as exempt, you  
must file a written list, under oath, of the items you wish to claim as exempt with the clerk of this court. The list may be filed at  
any time and may be changed by you thereafter as necessary; however, unless it is filed before the judgment becomes final, it  
will not be effective as to any execution or garnishment issued prior to the filing of the list. Certain items are automatically  
exempt by law and do not need to be listed; these include items of necessary wearing apparel for yourself and your family and  
trunks or other receptacles necessary to contain such apparel, family portraits, the family Bible, and school books. Should any of  
these items be seized, you would have the right to recover them. If you do not understand your exemption right or how to  
exercise it, you may wish to seek the counsel of a lawyer. TCA § 26-2-114.

**NOTICE TO POLICYHOLDERS  
REGARDING INFLATION PROTECTION  
AND BUILDING VALUES**

**CAUTION:** No coverage is provided by this notice; nor can it be construed to replace any provision of your policy. You should read your policy and review your Declarations Page for complete information on the coverages you are provided. If there is a conflict between the policy and this notice, THE PROVISIONS OF THE POLICY SHALL PREVAIL. PLEASE READ YOUR POLICY CAREFULLY.

We are notifying you that we will amend property limit(s) at the beginning of each renewal policy to reflect changes in the Marshall & Swift/Boeckh National Building Cost Trends.

This means that if your policy has property coverage, we will increase (or decrease) the appropriate building limits by the inflation percentage related to the zip code of your premises.

Your renewal premium will reflect the change in exposure. Please review your building limit to make sure that your limit is adequate to replace your building at the current cost of re-construction. You must also review your building limit carefully if your policy contains a coinsurance requirement or insurance-to-value provision that penalizes you if you are not insured to value.

By accepting this policy you are consenting to the limits of insurance as stated.

BUSINESSOWNERS COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this Coverage Form the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

In Section II - Liability, the word "insured" means any person or organization qualifying as such under Paragraph C. Who is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Paragraph H. Property Definitions in Section I - Property and Paragraph F. Liability And Medical Expenses Definitions in Section II - Liability.

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property includes Buildings as described under Paragraph a. below, Business Personal Property as described under Paragraph b. below, or both, depending on whether a Limit of Insurance is shown in the Declarations for that type of property. Regardless of whether coverage is shown in the Declarations for Buildings, Business Personal Property, or both, there is no coverage for property described under Paragraph 2. Property Not Covered.

- a. Buildings, meaning the buildings and structures at the premises described in the Declarations, including:
- (1) Completed additions;
  - (2) Fixtures, including outdoor fixtures;
  - (3) Permanently installed:
    - (a) Machinery; and

- (b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the buildings or structures.

- b. Business Personal Property located in or on the buildings at the described premises or in the open (or in a vehicle) within 100 feet of the described premises, including:

- (1) Property you own that is used in your business;

- (2) Property of others that is in your care, custody or control, except as otherwise provided in Loss Payment Property Loss Condition Paragraph E.5.d.(3)(b);

- (3) Tenant's improvements and betterments, improvements and betterments are fixtures, alterations, installations or additions:

- (a) Made a part of the building or structure you occupy but do not own; and
- (b) You acquired or made at your expense but cannot lawfully remove;

- (4) Leased personal property which you have a contractual responsibility to insure, unless otherwise provided for under Paragraph 1.b.(2); and

- (5) Exterior building glass, if you are a tenant and no limit of insurance is shown in the Declarations for Building property. The glass must be owned by you or in your care, custody or control.

2. Property Not Covered

Covered Property does not include:

- a. Aircraft, automobiles, motorbikes and other vehicles subject to motor vehicle registration;

- b. "Money" or "securities" except as provided in the:

- (1) Money And Securities Optional Coverage; or
- (2) Employee Dishonesty Optional Coverage;

- c. Contraband, or property in the course of illegal transportation or trade;

- d. Land (including land on which the property is located), water, growing crops or lawns;

- e. Outdoor fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, signs (other than signs attached to buildings), trees, shrubs or plants, all except as provided in the:

- j. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings.

3. Covered Causes Of Loss

Risks of direct physical loss unless the loss is:

- a. Excluded in Paragraph B. Exclusions in Section I; or

- b. Limited in Paragraph 4. Limitations in Section I.

4. Limitations

- a. We will not pay for loss of or damage to:

- (1) Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

- (2) Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boiler or equipment, other than an explosion.

- (3) Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property. This limitation does not apply to the Optional Coverage for Money and Securities.

- (4) Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.

- (5) The interior of any building or structure caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:

- (a) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or

- (b) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

- b. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:

- (1) Animals, and then only if they are killed or their destruction is made necessary.

- (2) Fragile articles such as glassware, statuary, marble, chinaware and porcelain, if broken. This restriction does not apply to:

- (a) Glass that is part of the exterior or interior of a building or structure;

- (b) Containers of property held for sale; or

- (c) Photographic or scientific instrument lenses.

- c. For loss or damage by theft, the following types of property are covered only up to the limits shown:

- (1) \$2,500 for furs, fur garments and garments trimmed with fur.

- (2) \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.

- (3) \$2,500 for patterns, dies, molds and forms.

5. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expense will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

- (2) Debris Removal does not apply to costs to:

- (a) Extract "pollutants" from land or water; or
- (b) Remove, restore or replace polluted land or water.

- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:

- (a) The most that we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.

- (b) Subject to Paragraph (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

- (4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

- (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if Paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

Example #1

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 50,000
Amount of Loss Payable	\$ 49,500
	(\$50,000 - \$500)
Debris Removal Expense	\$ 10,000
Debris Removal Expense Payable	\$ 10,000
	(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

**Example #2**  
 Limit of Insurance \$ 80,000  
 Amount of Deductible \$ 500  
 Amount of Loss \$ 80,000  
 Amount of Loss Payable \$ 78,500  
 (\$80,000 - \$500)  
 Debris Removal Expense \$ 30,000  
 Debris Removal Expense Payable

Basic Amount \$ 10,500  
 Additional Amount \$ 10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$78,500 + \$500) x .25 = \$20,000; capped at \$10,500. The cap applies because the sum of the loss payable (\$78,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense (\$78,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$8,500 of the debris removal expense is not covered.

#### b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

#### c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$2,500, unless a different limit is shown in the Declarations, for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

#### d. Collapse

The coverage provided under this Additional Coverage - Collapse applies only to an abrupt collapse as described and limited in Paragraphs d.(1) through d.(7).

(1) For the purpose of this Additional Coverage - Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

(2) We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this policy or that contains Covered Property insured under this policy, if such collapse is caused by one or more of the following:

- (a) Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- (b) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- (c) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- (d) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:
  - (i) A cause of loss listed in Paragraph (2)(a) or (2)(b);
  - (ii) One or more of the "specified causes of loss";
  - (iii) Breakage of building glass;

- (iv) Weight of people or personal property; or
- (v) Weight of rain that collects on a roof.

(3) This Additional Coverage - Collapse does not apply to:

- (a) A building or any part of a building that is in danger of falling down or caving in;
- (b) A part of a building that is standing, even if it has separated from another part of the building; or
- (c) A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

(4) With respect to the following property:

- (a) Awnings;
- (b) Gutters and downspouts;
- (c) Yard fixtures;
- (d) Outdoor swimming pools;
- (e) Piers, wharves and docks;
- (f) Beach or diving platforms or appurtenances;
- (g) Retaining walls; and
- (h) Walks, roadways and other paved surfaces;

If an abrupt collapse is caused by a cause of loss listed in Paragraphs (2)(a) through (2)(d), we will pay for loss or damage to that property only if such loss or damage is a direct result of the abrupt collapse of a building insured under this policy and the property is Covered Property under this policy.

(5) If personal property abruptly falls down or caves in and such collapse is not the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

- (a) The collapse of personal property was caused by a cause of loss listed in Paragraphs (2)(a) through (2)(d) of this Additional Coverage;
- (b) The personal property which collapses is inside a building; and
- (c) The property which collapses is not of a kind listed in Paragraph (4), regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph (5) does not apply to personal property if marring and scratching is the only damage to that personal property caused by the collapse.

(6) This Additional Coverage - Collapse does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

(7) This Additional Coverage - Collapse will not increase the Limits of Insurance provided in this policy.

(8) The term Covered Cause of Loss includes the Additional Coverage - Collapse as described and limited in Paragraphs d.(1) through d.(7).

#### e. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss or damage; but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- (1) Results in discharge of any substance from an automatic fire protection system; or
- (2) Is directly caused by freezing.

#### f. Business Income

##### (1) Business Income

(a) We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your "operations" during the "period of restoration". The suspension must be caused by direct physical loss of or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (i) The portion of the building which you rent, lease or occupy; and

- (ii) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.

(b) We will only pay for loss of Business Income that you sustain during the "period of restoration" and that occurs within 12 consecutive months after the date of direct physical loss or damage. We will only pay for ordinary payroll expenses for 60 days following the date of direct physical loss or damage, unless a greater number of days is shown in the Declarations.

(c) Business Income means the:

- (i) Net income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and

- (ii) Continuing normal operating expenses incurred, including payroll.

(d) Ordinary payroll expenses:

- (i) Means payroll expenses for all your employees except:

- I. Officers;
- II. Executives;
- III. Department Managers;
- IV. Employees under contract; and

- V. Additional Exemptions shown in the Declarations as:

- Job Classifications; or
- Employees.

(ii) Include:

- I. Payroll;

- II. Employee benefits, if directly related to payroll;

- III. FICA payments you pay;

- IV. Union dues you pay; and

- V. Workers' compensation premiums.

#### (2) Extended Business Income

(i) If the necessary suspension of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (I) Begins on the date property except finished stock is actually repaired, rebuilt or replaced and "operations" are resumed; and

- (II) Ends on the earlier of:

- I. The date you could restore your "operations", with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or

- II. 30 consecutive days after the date determined in Paragraph (a)(i) above, unless a greater number of consecutive days is shown in the Declarations.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

(b) Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(3) With respect to the coverage provided in this Additional Coverage, suspension means:

- (a) The partial slowdown or complete cessation of your business activities; or

- (b) That a part or all of the described premises is rendered untenantable, if coverage for Business Income applies.

(4) This Additional Coverage is not subject to the Limits of Insurance of Section I - Property.

#### g. Extra Expense

(1) We will pay necessary Extra Expense you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (a) The portion of the building which you rent, lease or occupy; and

- (b) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.

(2) Extra Expense means expense incurred:

- (a) To avoid or minimize the suspension of business and to continue "operations";

- (ii) At the described premises; or

- (iii) At replacement premises or at temporary locations, including relocation expenses, and costs to equip and operate the replacement or temporary locations.

(b) To minimize the suspension of business if you cannot continue "operations".

(c) To:

- (i) Repair or replace any property; or
- (ii) Research, replace or restore the lost information on damaged "valuable papers and records";

to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage or Additional Coverage f, Business Income.

(3) With respect to the coverage provided in this Additional Coverage, suspension means:

- (a) The partial slowdown or complete cessation of your business activities; or

- (b) That a part or all of the described premises is rendered untenantable, if coverage for Business Income applies.

(4) We will only pay for Extra Expense that occurs within 12 consecutive months after the date of direct physical loss or damage. This Additional Coverage is not subject to the Limits of Insurance of Section I - Property.

#### h. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay for each location under this Additional Coverage is \$10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

#### i. Civil Authority

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and

(2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority coverage for necessary Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
- (2) When your Civil Authority coverage for Business Income ends; whichever is later.

The definitions of Business Income and Extra Expense contained in the Business Income and Extra Expense Additional Coverages also apply to this Civil Authority Additional Coverage. The Civil Authority Additional Coverage is not subject to the Limits of Insurance of Section I - Property.

#### j. Money Orders And "Counterfeit Money"

We will pay for loss resulting directly from your having accepted in good faith, in exchange for merchandise, "money" or services:

- (1) Money orders issued by any post office, express company or bank that are not paid upon presentation; or

The most we will pay for any loss under this Additional Coverage is \$1,000.

#### k. Forgery Or Alteration

(1) We will pay for loss resulting directly from forgery or alteration of, any check, draft, promissory note, bill of exchange or similar written promise of payment in "money", that you or your agent has issued, or that was issued by someone who impersonates you or your agent.

(2) If you are sued for refusing to pay the check, draft, promissory note, bill of exchange or similar written promise of payment in "money", on the basis that it has been forged or altered, and you have our written consent to defend against the suit, we will pay for any reasonable legal expenses that you incur in that defense.

(3) For the purpose of this coverage, check includes a substitute check as defined in the Check Clearing for the 21st Century Act, and will be treated the same as the original it replaced.

(4) The most we will pay for any loss, including legal expenses, under this Additional Coverage is \$2,500, unless a higher Limit of Insurance is shown in the Declarations.

#### l. Increased Cost Of Construction

(1) This Additional Coverage applies only to buildings insured on a replacement cost basis.

(2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with enforcement of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in Paragraphs (3) through (9) of this Additional Coverage.

(3) The ordinance or law referred to in Paragraph (2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.

(4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:

- (a) You were required to comply with before the loss, even when the building was undamaged; and
- (b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

- (a) The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet rot or dry rot; or
- (b) Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of "pollutants", "fungi", wet rot or dry rot.

(6) The most we will pay under this Additional Coverage, for each described building insured under Section I - Property, is \$10,000. If a damaged building(s) is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for each damaged building, is \$10,000.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

- (a) We will not pay for the Increased Cost of Construction:
  - (i) Until the property is actually repaired or replaced, at the same or another premises; and
  - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.
- (c) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.

(8) This Additional Coverage is not subject to the terms of the Co-Insurance Or Law Exclusion, to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

(9) The costs addressed in the Loss Payment Property Loss Condition in Section I - Property do not include the increased cost attributable to enforcement of an ordinance or law. The amount payable under this Additional Coverage, as stated in Paragraph (6) of this Additional Coverage, is not subject to such limitation.

#### m. Business Income From Dependent Properties

(1) We will pay for the actual loss of Business Income you sustain due to physical loss or damage at the premises of a dependent property caused by or resulting from any Covered Cause of Loss.

However, this Additional Coverage does not apply when the only loss to dependent property is loss or damage to "electronic data", including destruction or corruption of "electronic data". If the dependent property sustains loss or damage to "electronic data" and other property, coverage under this Additional Coverage will not continue once the other property is repaired, rebuilt or replaced.

The most we will pay under this Additional Coverage is \$5,000 unless a higher Limit of Insurance is indicated in the Declarations.

(2) We will reduce the amount of your Business Income loss, other than Extra Expense, to the extent you can resume "operations", in whole or in part, by using any other available:

- (a) Source of materials; or
  - (b) Outlet for your products.
- (3) If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

(4) Dependent property means property owned by others whom you depend on to:

- (a) Deliver materials or services to you, or to others for your account. But services does not mean water, communication or power supply services;
- (b) Accept your products or services;
- (c) Manufacture your products for delivery to your customers under contract for sale; or
- (d) Attract customers to your business.

The dependent property must be located in the coverage territory of this policy.

(5) The coverage period for Business Income under this Additional Coverage:

- (a) Begins 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the premises of the dependent property; and
- (b) Ends on the date when the property at the premises of the dependent property should be repaired, rebuilt or replaced with reasonable speed and similar quality.

(6) The Business Income coverage period, as stated in Paragraph (5), does not include any increased period required due to the enforcement of any ordinance or law that:

- (a) Regulates the construction, use or repair, or requires the tearing down of any property; or
- (b) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not reduce the Business Income coverage period.

(7) The definition of Business Income contained in the Business Income Additional Coverage also applies to this Business Income From Dependent Properties Additional Coverage.

#### n. Glass Expenses

(1) We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

(2) We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

#### o. Fire Extinguisher Systems Recharge Expense

(1) We will pay:

- (a) The cost of recharging or replacing, whichever is less, your fire extinguishers and fire extinguishing systems (including hydrostatic testing if needed) if they are discharged on or within 100 feet of the described premises; and
- (b) For loss or damage to Covered Property if such loss or damage is the result of an accidental discharge of chemicals from a fire extinguisher or a fire extinguishing system.

(2) No coverage will apply if the fire extinguishing system is discharged during installation or testing.

(3) The most we will pay under this Additional Coverage is \$5,000 in any one occurrence.

#### p. Electronic Data

(1) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that "electronic data" is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the "electronic data" was stored, with blank media of substantially identical type.

(2) The Covered Causes of Loss applicable to Business Personal Property include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

(3) The most we will pay under this Additional Coverage - Electronic Data for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved, is \$10,000, unless a higher Limit of Insurance is shown in the Declarations. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

#### q. Interruption Of Computer Operations

(1) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a suspension of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" due to a Covered Cause of Loss.

(2) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:

- (a) Coverage under this Additional Coverage - Interruption Of Computer Operations is limited to the "specified causes of loss" and Collapse.
- (b) If the Businessowners Coverage Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage.

(c) The Covered Causes of Loss include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

(3) The most we will pay under this Additional Coverage - Interruption Of Computer Operations for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved, is \$10,000 unless a higher Limit of Insurance is shown in the Declarations. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.

(4) This Additional Coverage - Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (3) above has not been exhausted.

(5) Coverage for Business Income does not apply when a suspension of "operations" is caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.

(6) Coverage for Extra Expense does not apply when action is taken to avoid or minimize a suspension of "operations" caused by destruction or corruption of "electronic data," or any loss or damage to "electronic data," except as provided under Paragraphs (1) through (4) of this Additional Coverage.

**f. Limited Coverage For "Fungi", Wet Rot Or Dry Rot**

(1) The coverage described in Paragraphs (2) and (3) only applies when the "fungi", wet rot or dry rot are the result of a "specified cause of loss" other than fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.

(2) We will pay for loss or damage by "fungi", wet rot or dry rot. As used in this Limited Coverage, the term loss or damage means:

(a) Direct physical loss or damage to Covered Property caused by "fungi", wet rot or dry rot, including the cost of removal of the "fungi", wet rot or dry rot;

(b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet rot or dry rot; and

(c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet rot or dry rot are present.

(3) The coverage described under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungi", wet rot or dry rot, we will not pay more than the total of \$15,000 even if the "fungi", wet rot or dry rot continues to be present or active, or recurs, in a later policy period.

(4) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungi", wet rot or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungi", wet rot or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungi", wet rot or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

(5) The terms of this Limited Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder Or Molten Material Damage or Collapse Additional Coverages.

(6) The following applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the suspension of "operations" satisfies all the terms and conditions of the applicable Business Income and/or Extra Expense Additional Coverage.

(a) If the loss which resulted in "fungi", wet rot or dry rot does not in itself necessitate a suspension of "operations", but such suspension is necessary due to loss or damage to property caused by "fungi", wet rot or dry rot, then our payment under the Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

(b) If a covered suspension of "operations" was caused by loss or damage other than "fungi", wet rot or dry rot, but remediation of "fungi", wet rot or dry rot prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

- (c) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.
  - (d) We will not pay on a replacement cost basis for any loss or damage:
    - (i) Until the lost or damaged property is actually repaired or replaced; and

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury", "property damage" or "personal and advertising injury" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" or any offense and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Paragraph D. - Liability And Medical Expenses Limits Of Insurance In Section II - Liability; and

(2) Our right and duty to defend end when we have used up the applicable Limit of Insurance in the payment of judgments or settlements or medical expenses.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Paragraph I. Coverage Extension - Supplementary Payments.

b. This insurance applies:

(1) To "bodily injury" and "property damage" only if:

(a) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

(b) The "bodily injury" or "property damage" occurs during the policy period; and

(c) Prior to the policy period, no insured listed under Paragraph C.1. Who is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part, if such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known before the policy period.

These payments will not reduce the limit of liability.

Notwithstanding the provisions of Paragraph B.1.b.(2) Exclusions in Section II - Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the Limits of Insurance.

## CAP ON CERTIFIED TERRORISM LOSSES

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and

## TERRORISM

"Any injury or damage" arising, directly or indirectly, out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds \$25,000,000 (valued in U.S. dollars). In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs 1. and 2. describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Form to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage" or "personal and advertising injury" as may be defined in any applicable Coverage Form.

2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. (b) The premises of any United States mission; and

c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism".

Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

C. In the event of an "other act of terrorism" that is not subject to this exclusion, coverage does not apply to any loss or damage that is otherwise excluded under this Coverage Form or Policy.

D. If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.
